### DAY 1:

Flight Santiago - Calama  
Transportation from the Calama airport or Bus Terminal to Hotel Selected

#### MOON VALLEY

In the evening we will make the tour to the famous Valley of the Moon, located approximately 10 kms. San Pedro de Atacama, declared a nature sanctuary, is part of Los Flamencos National Reserve, located in the mountains of salt. A place with beautiful shapes and colors where you can walk and see a geological spectacle with sculptural forms, like the lunar surface. Visit to the salt statues "Las Tres Marias" Salt Caverns will climb up the big dune at sunset to admire in all its splendor this beautiful panorama. Return to the town of San Pedro de Atacama.

Arrival approx. 20:00

### DAY 2:

#### SALAR DE ATACAMA - TOCONAO - HIGHLAND LAGOONS

08:00 Departure to the highland lakes and Miscanti Miñiques, located 138 kms from San Pedro de Atacama, at an altitude of 4,300 mts. We Toconao the way, this goes straight across the plain with stunning views Licancabur volcano, on the road we can see species of trees indigenous to the area such as mesquite and Chan in the 38 km to the People of Toconao arrival, brief visit the main square and church, include houses built of volcanic stone (Liparita).

A panoramic view of beautiful contrast that occurs between the green Jere Valley and the desert, we continue to brief visit to the village farmer Socaire. Then ascend the Andes to reach the ponds and Miñiques Miscanti intense blue white banks located in the Reserva Nacional Los Flamencos, surrounded by towering mountains and volcanoes created a unique landscape in this region.

Lunch Box Lunch. Walk addressed in the sector. Then we came back and visited the Salar de Atacama and walk Chaxa Laguna where we can see the flamingos and other birds. At dusk. Return to San Pedro at 18:00 Approx.

### DAY 3:

#### DEL TATIO GEISER

04:30 Departure from the hotel to take gravel road, roughly by which we began to ascend to the Geysers Geysers located at a distance of 97 Kms from San Pedro and at an altitude of 4,300 mts. The entire route to perform at night, we came to this spectacular area of our plateau at approximately 06:45, normally at this time temperature is below zero. Breakfast and walk led by the geothermal field, observing the impressive columns of steam (Geysers), fumaroles, hundreds of pools of boiling water and high mountains is a spectacular view of nature at dawn. In this sector we can see part of the Andean and fauna typical vizcachas and vicuna. Then we moved to the area of thermal pools with water with about 40 c ° where passengers can take a refreshing bath. Then begin the return to San Pedro, through the stunning scenery of the Cordillera de los Andes, en route we can watch the volcano and Sairecabur Tocorpuri. Arrival in San Pedro at about 12:00.

The rest of the afternoon free for any activity.
